Renaissance Southend Ltd

## **Sponsorship package set to attract international investors to South Essex**

Renaissance Southend has been a sponsor of the Thames Gateway Forum for the last four years. The event provides the opportunity to talk to key investors and developers who have expressed an interest in the Thames Gateway.

This year Renaissance Southend is working with Thames Gateway South Essex Partnership, Basildon Renaissance, Southend Borough Council and the East of England Development Agency to sponsor the Evening Reception event, to be held in Docklands on November 3rd, where we will have direct access to an audience of over 300, including international investors and developers.

The Evening Reception is to take the South Essex message direct to this highly influential audience, to show them firsthand the kind of opportunities that exist in our area.

Chairman Theo steel commented: "Renaissance Southend is proud to be part of this event which provides us with the forum to continue to attract private sector investment to our Town, which we hope in turn will create new jobs, opportunities and growth."
